ABOUT

RESOURCEWEST

Our mission: ResourceWest supports individuals and families in the West Metro through collaborative programs and connections to resources as they move toward greater stability.

In the last 30 years, ResourceWest has worked diligently to be a community staple and resource for our community members. We pride ourselves on adapting to our community, always doing our best to stay attuned to the needs of our community.

Through the programs and services that we provide, we will continue to grow in our capacity to strengthen and build our community so that the needs of our neighbors are met and they have the stability and access to the vital resources they need.

We continue to build on our strong base of community connections and partnerships to expand our capacity to serve our community. These partnerships are a foundational aspect of providing resources to individuals and families who are facing challenges and overcoming barriers.

MESSAGE FROM TRACIE STANTON

Greetings Friends,

As we reflect on the past year, it is impossible to ignore the rising challenges that our community has faced. Despite the unprecedented obstacles that our neighbors are navigating, ResourceWest has continued to grow in our commitment to one another and to help community members as they become more connected, more resourceful, and more hopeful about their future.

Thanks to your unwavering support, ResourceWest has been successfully supporting and helping to stabilize individuals and families in the West Metro for 30 years. Though we have experienced many transitions as an organization, the values of ResourceWest remain unchanged. Our goal is to continue meeting the needs of our community members with empathy and integrity. Through critical dialogue, professional development, by addressing the disparities that exist among members of our community, and in working alongside individuals and families, we aim to grow our capacity to support our neighbors with compassion, knowledge, and increased access to vital resources.

As we reflect on where we have been and who we are today, we are eager to continue our journey of growth as an organization. As you read about our impact in this annual report, we hope that you will feel as proud and inspired as we do. Without your incredible generosity this would not be possible. Thank you for joining us and sharing in the collective effort that has always driven and will always inspire ResourceWest.

With heartfelt gratitude,
Tracie Stanton

OUR PROGRAMS

» CHILDREN & YOUTH PROGRAMS

The Children & Youth Programs are designed to provide supplies for children and families in the Hopkins and Minnetonka School District communities. Through the Back to School Program, we equip students with backpacks full of grade-specific supplies. The Winter Warm Wear Program prepares youth with winter coats, hats, and waterproof gloves for a safe winter. The Toy Chest Program provides a new toy, gift, or gift card to youth to enjoy their winter break.

» SOCIAL SERVICES PROGRAM

The Social Services Program is where community members can get connected to the resources and support that will guide them to stability. Individuals can meet with our staff to get connected to resources, discuss and plan solutions for current issues and crises, and more.

» FINANCIAL GRANTS

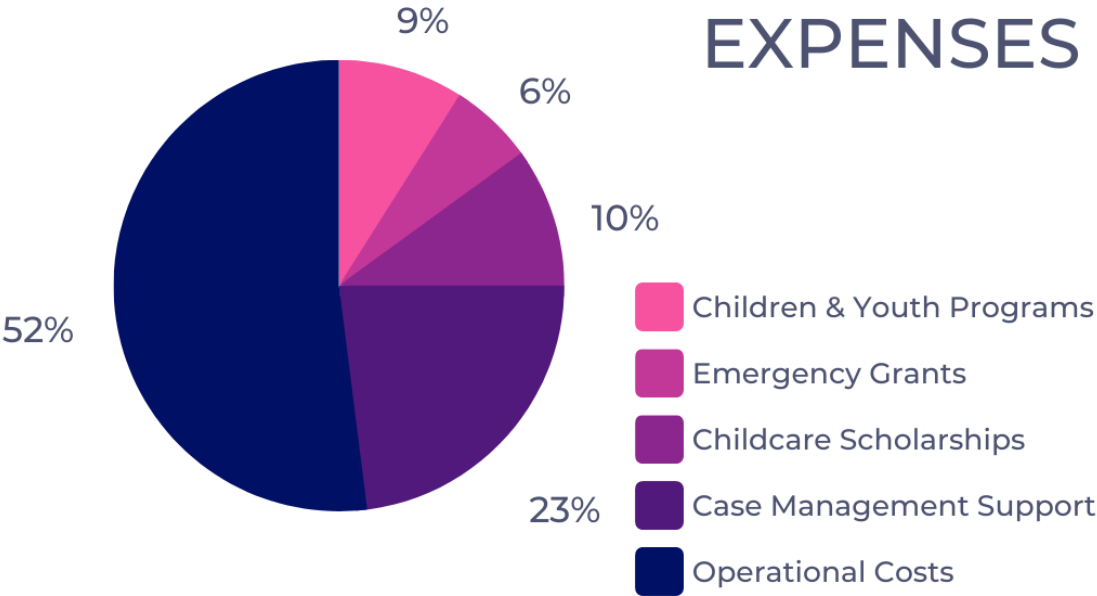

There are two programs where we provide financial grant assistance. We will provide a financial grant for a one-time short-term emergency. This typically will fund a car repair for someone to continue in their employment. We also provide a 50% childcare scholarship to families needing stable childcare.

FINANCIAL INFORMATION

RESOURCEWEST IN-KIND CONTRIBUTIONS

TOTAL VALUE OF IN-KIND CONTRIBUTIONS: \$142,305

This chart shows the approximated value of the in-kind contributions we receive for the Children & Youth Programs: Back-to-School, Winter Warm Wear, and Toy Chest. These are physical items that are donated that we supply to community members through these programs.

Thank you for your support of our organization. Without our many supporters, the work that we do in the community would not be possible.

We'd love to hear from you! Please reach out with any questions, comments, or just to say hello!
